04 / WELFARE WORKSPACE - DESKTOP

Reject with a clear reason

The rejection action is separated from verification, and requires an explanation.

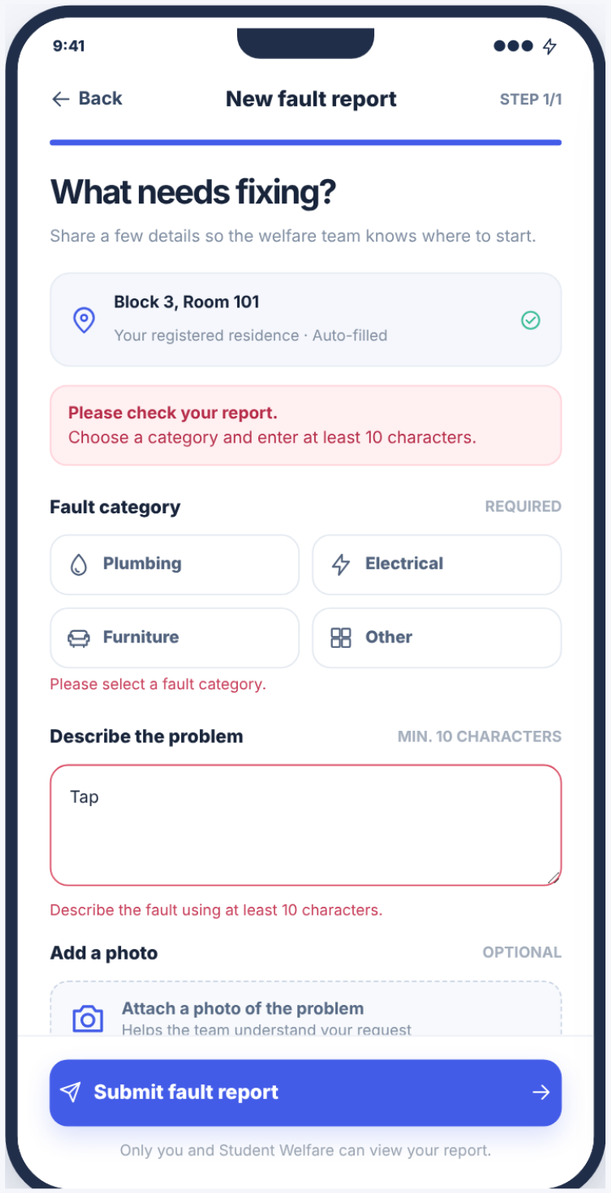

05 / ESSENTIAL INTERFACE STATES

Validation and conflict handling

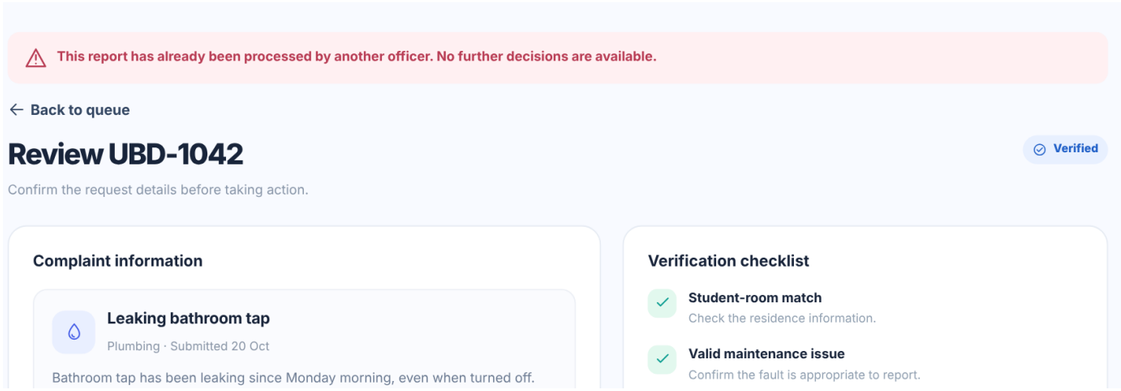

Errors explain what went wrong, preserve input, and keep next actions visible.

F2 / STUDENT FORM ERRORS

F5 / STALE DECISION (409 CONFLICT)

The system prevents a second officer from changing an already reviewed report.

F6 / MISSING REJECTION REASON

An inline error tells the officer what to fix before confirming.
